

TALISMAN 1975

BRYAN GRAY

Let's stop saying we care for our country and the people around us; let's really care for them, and show it by our actions.

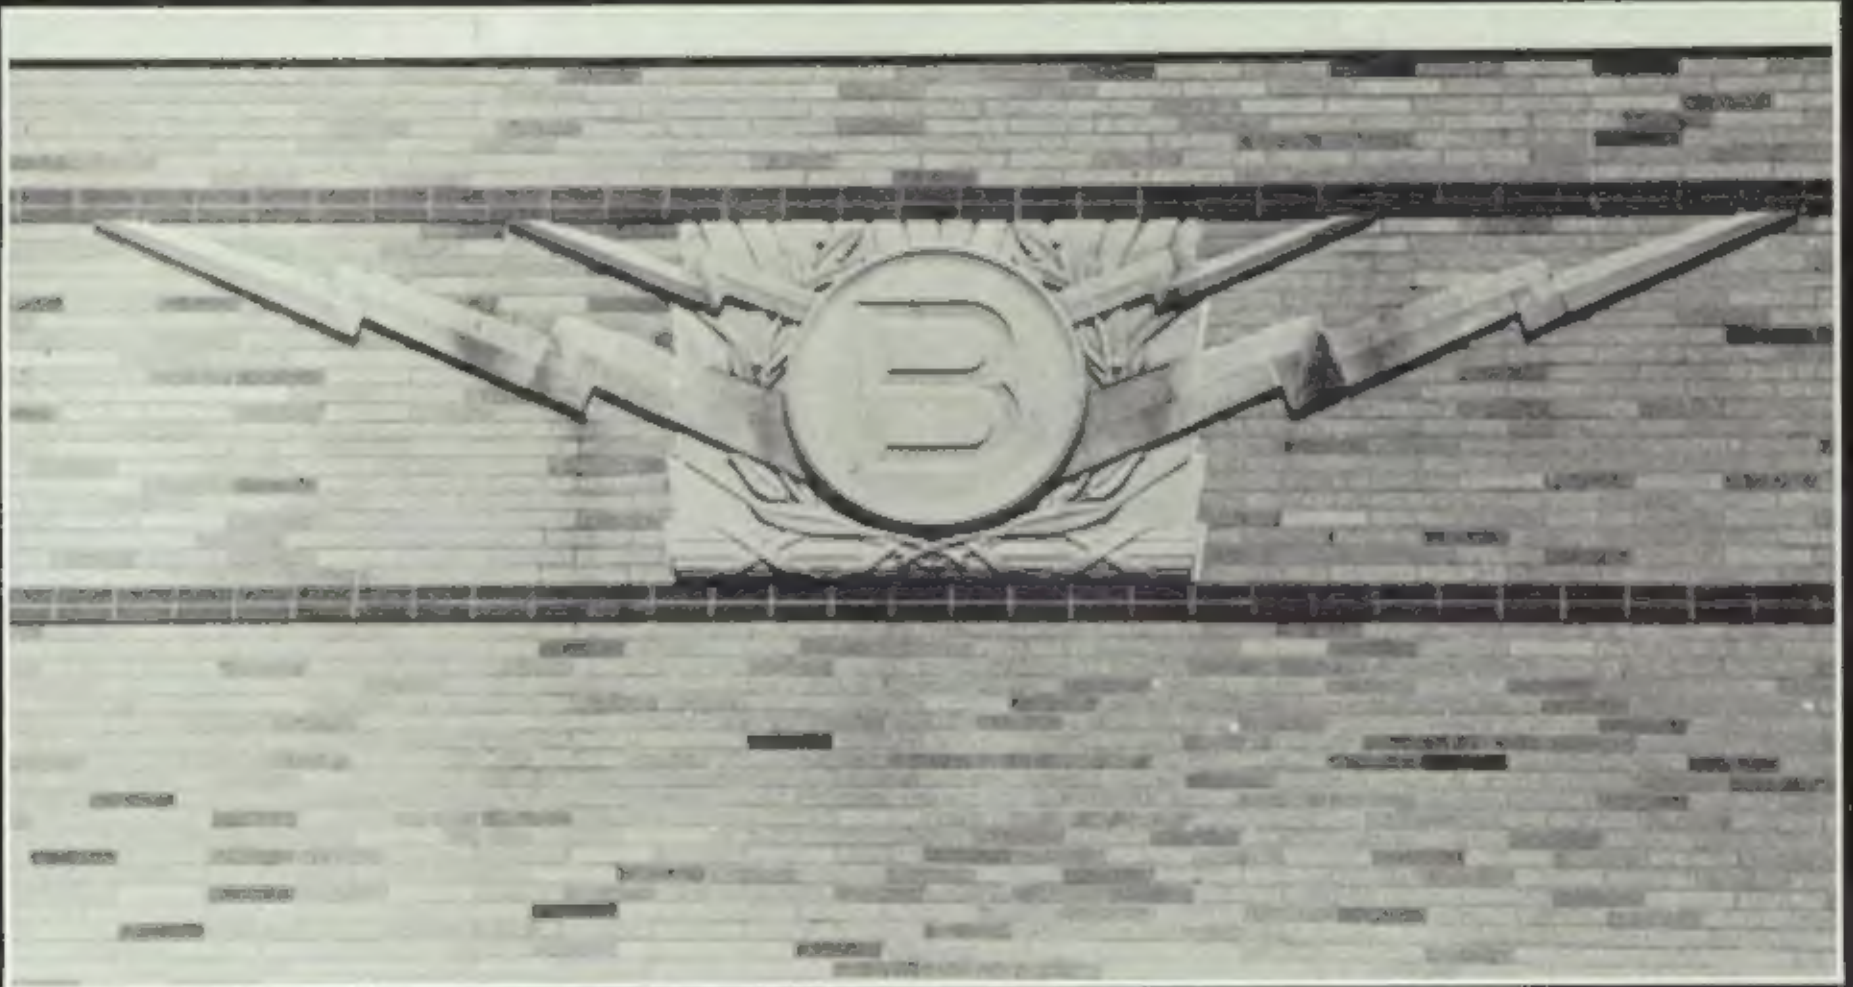

Twenty-five years ago the first TALISMAN was published. It was named after a symbol of good luck carved from stone, which adorned the household of every ancient Greek. Those precious charms, believed to have the power to ward off evil, were admired and cherished by all. Consequently, through the years, a TALISMAN has come to mean a keepsake of great value. It is with great pride that we, the creators of this book, present to you the 25th TALISMAN.

Volume XXV 1975

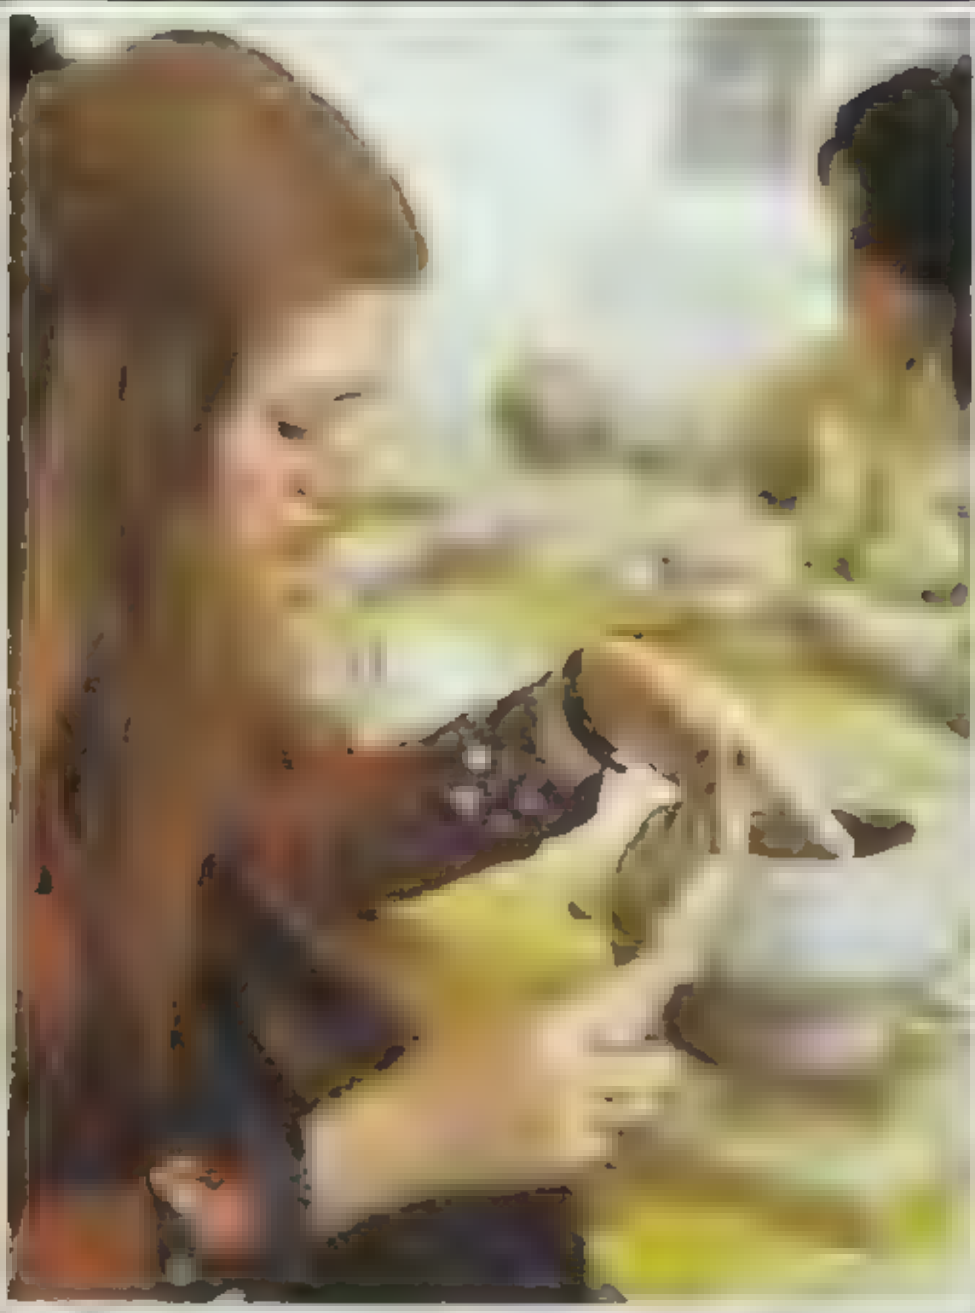

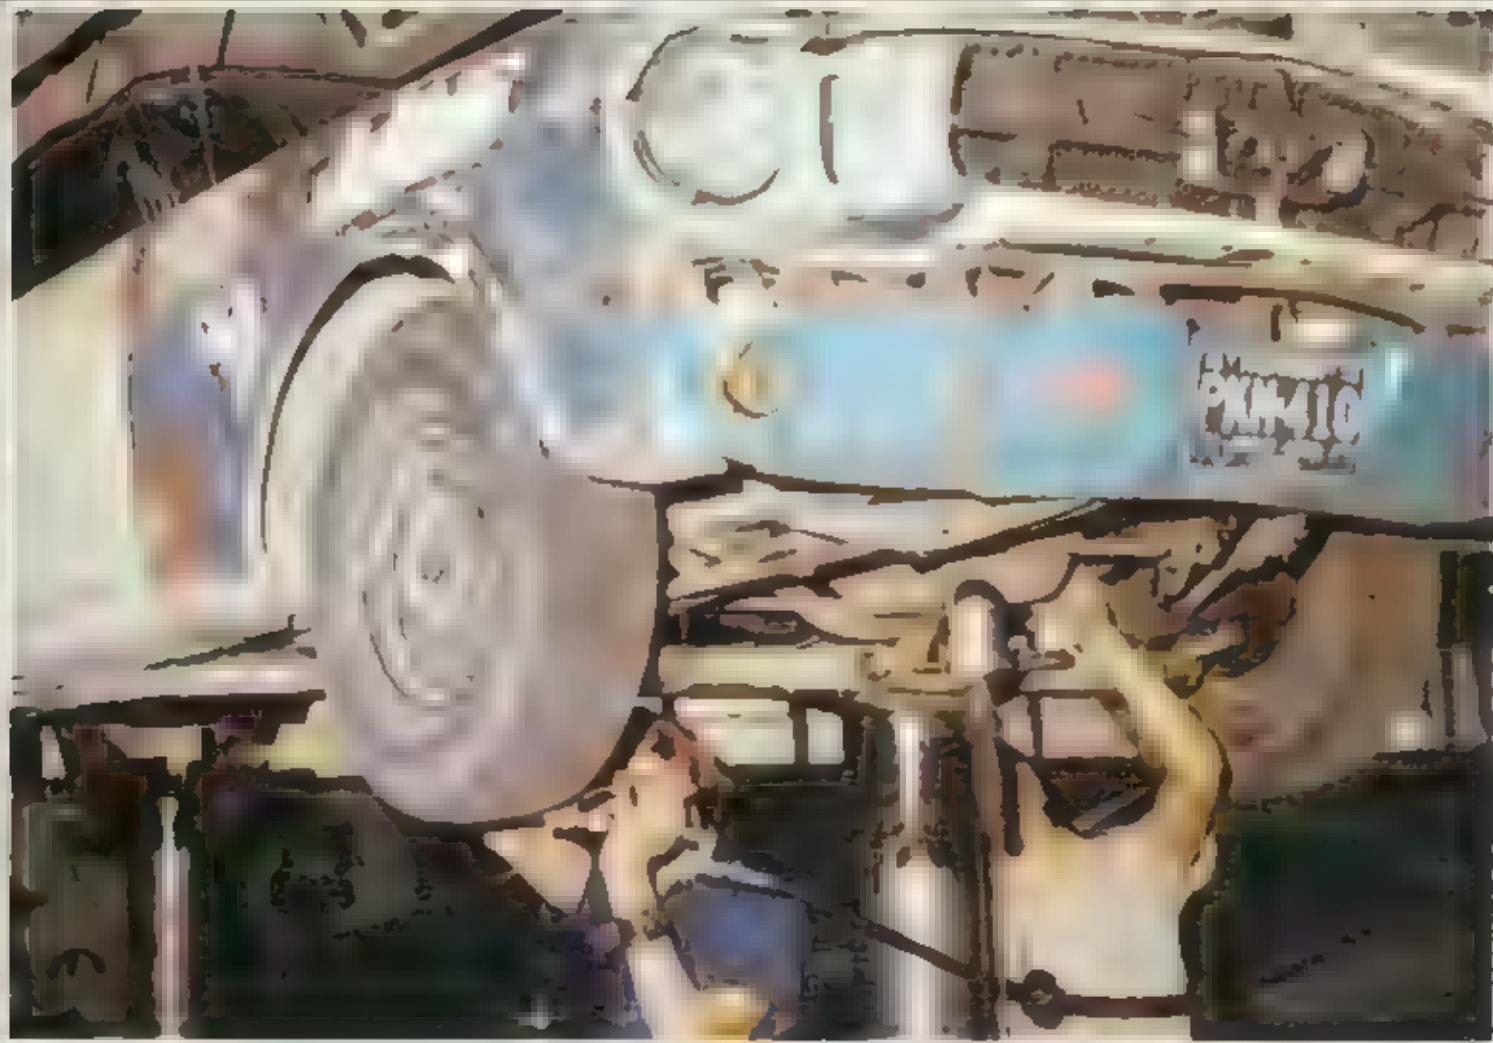

Interests may vary, but
pride in accomplishment is
equal.

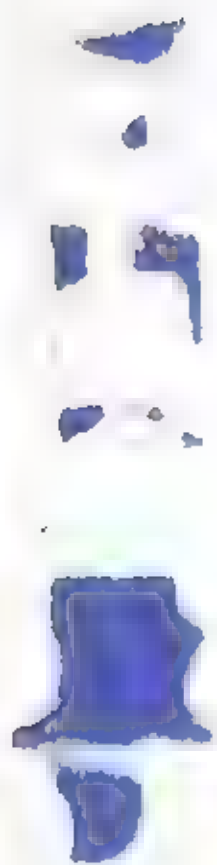

Cheer, cheer for ol' Bedford High
For it's the best school under the sky!

Sing its praises far and wide.
We honor, we love it, it's our pride!

On the road to victory,
We will pledge our loyalty.

Onward, always, to the end,
for dear ol' Bedford High!

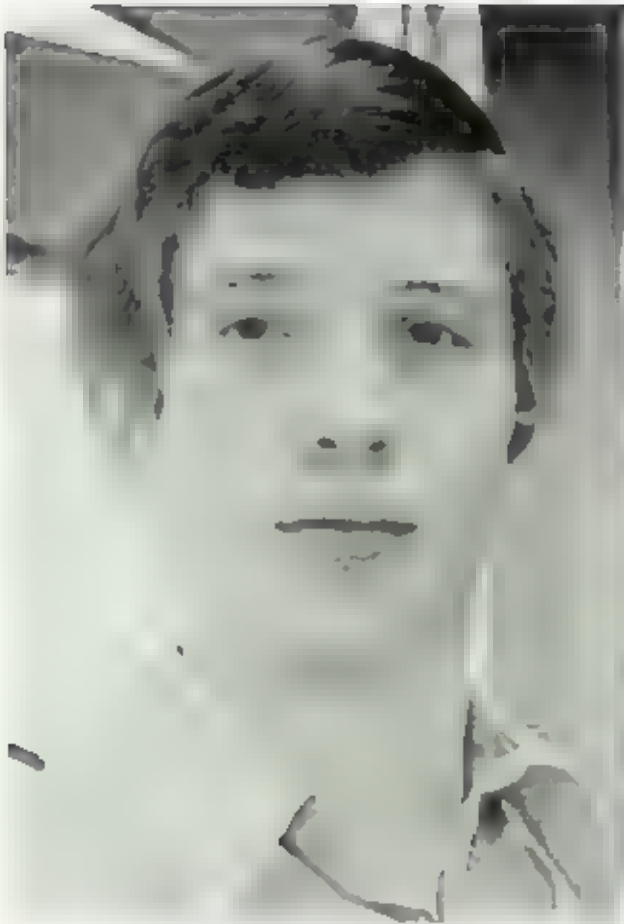

Goodman

Summer Fun

Summer played an important role in preparing students and teachers for the '74-'75 school year. Our cheerleaders attended U.S.C.A. All-American Camp in Walden Woods, Michigan, where Janette Hubbard was crowned prettiest cheerleader. (Far right, page 69) The band attended Wolverine Camp in Wolverine, Michigan where they prepared themselves for the '74-'75 marching season. (Top, page 68) Mr. Pinkerman spent 8 weeks of his summer in Boulder, Colorado, where he attended the B.S.C.S. Program at the University of Colorado. (Top, page 69) The Goalpost Staff sent several of its members to Oakland University, along with the photographer of the Talisman staff, where they received instruction on how to make their publications better. (Bottom, page 69) The Talisman also sent its two editors to Winston-Salem, North Carolina, where they attended classes and took a tour of their publishers, The Hunter Publishing Company. Our football players attended Camp DeSalles in Irish Hills, Michigan, where they prepared themselves for the new season. (Bottom, page 68)

Scott Anstine sets golf records for Bedford

Scott has set many new golf records in his high school years. He came in second place in the Great Northern Golf Conference, won the Bedford Booster Club's Outstanding Athlete Award his Junior and Senior years, and was named Bedford High School's Most Outstanding Player in 1973-1974. Scott was captain of the Bedford golf team in 1974, is a 3-year letterman and has the best individual record of 16-0-1. Scott set the course records at Giant Oak Golf Course on the front nine and back nine as well as the 18 holes. Scott also placed second in the Michigan State Regional High School Golf Tournament and the Great Lakes League Tournament.

BEDFORD SPORTS

For 25 years students at Bedford have been adding school spirit and pride by participating in sports. In battles against other schools they gave their all. They did it in the best form that a sportsman could. From football to girls track there is the desire to win. To win you must give of yourself. Whether coach or athletes, team or individual male or female, our athletes gave all they could. With talent and skill they fought to win, not always winning, but always giving their all.

Care for the world around you

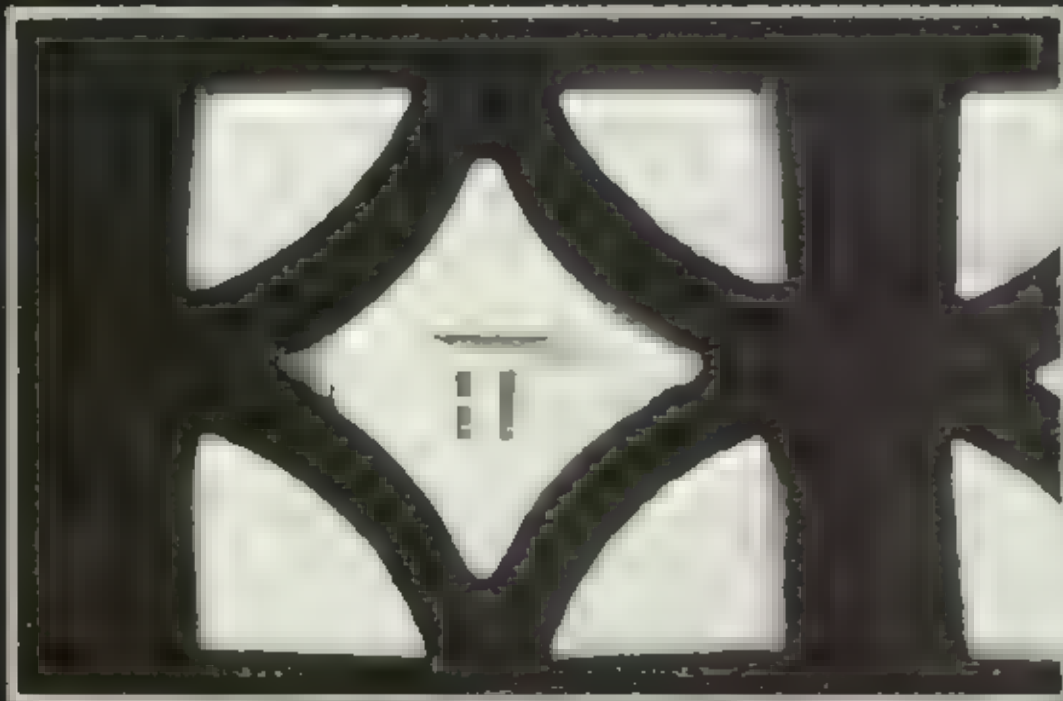

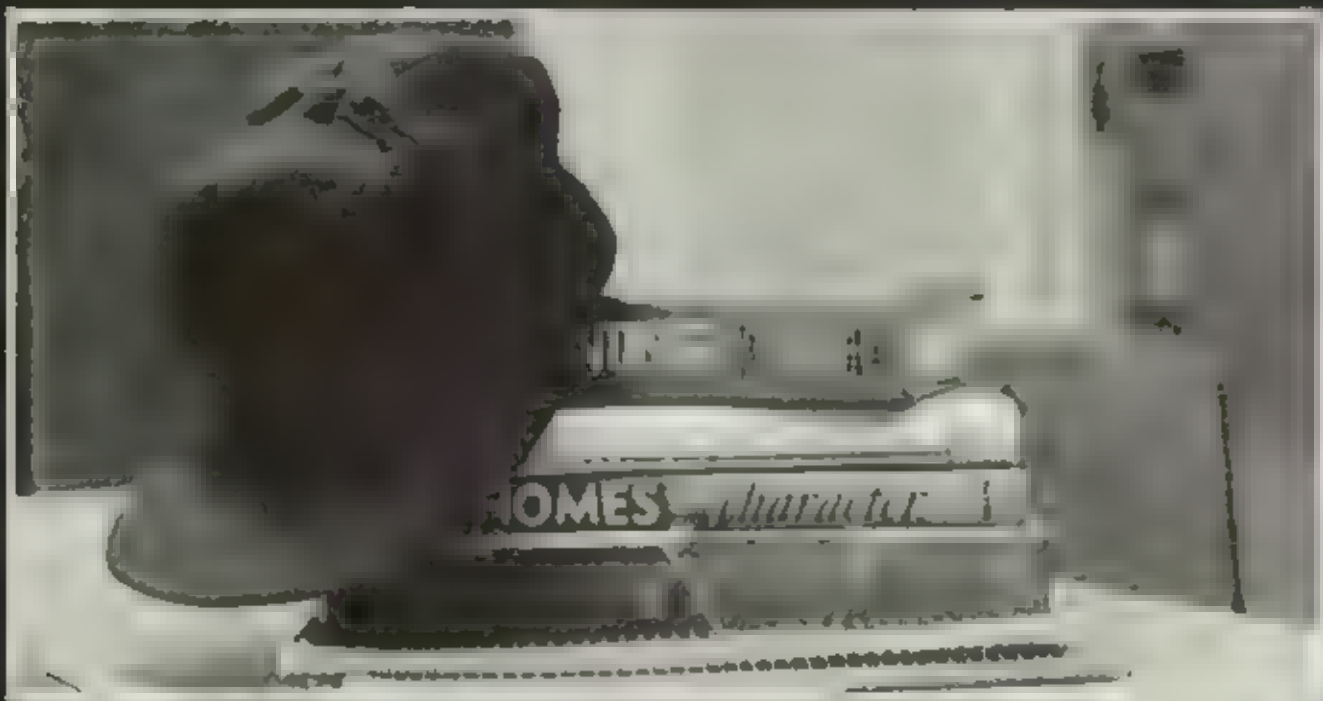

Do you care?

We sing with praise for Bedford High School
Alma Mater Fair!

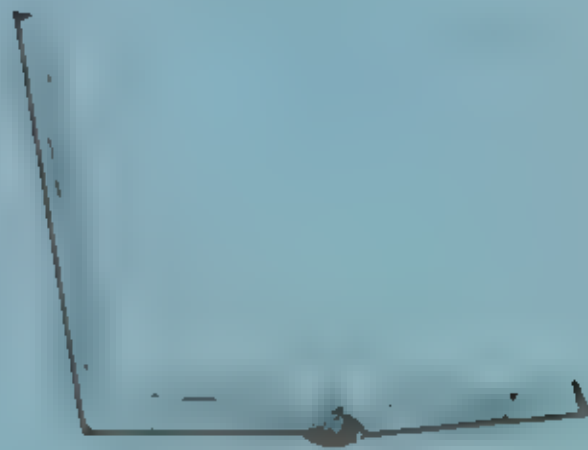

For gray and scarlet ever blended
We will ever care!

Our school and colors we will love
Our friendships ne'er forget

So sing with praise for Bedford High School
Fairest ever Yet!

THE CONCERN WHICH PROMPTED MANY PEOPLE THROUGHOUT THE COMMUNITY TO CONTRIBUTE TO THE TALISMAN IS A VERY SPECIAL KIND OF CARING. WE THE STUDENTS OF BEDFORD HIGH SCHOOL WOULD LIKE TO EXPRESS OUR THANKS TO THE MANY PARENTS, TEACHERS, AND FRIENDS WHO CARE ENOUGH TO GIVE US THEIR SUPPORT.

THE STUDENTS OF
BEDFORD HIGH SCHOOL

NOTES ON GRAPHS

1. A graph is a set of vertices and edges.

2. A path is a sequence of vertices connected by edges.

3. A cycle is a path that starts and ends at the same vertex.

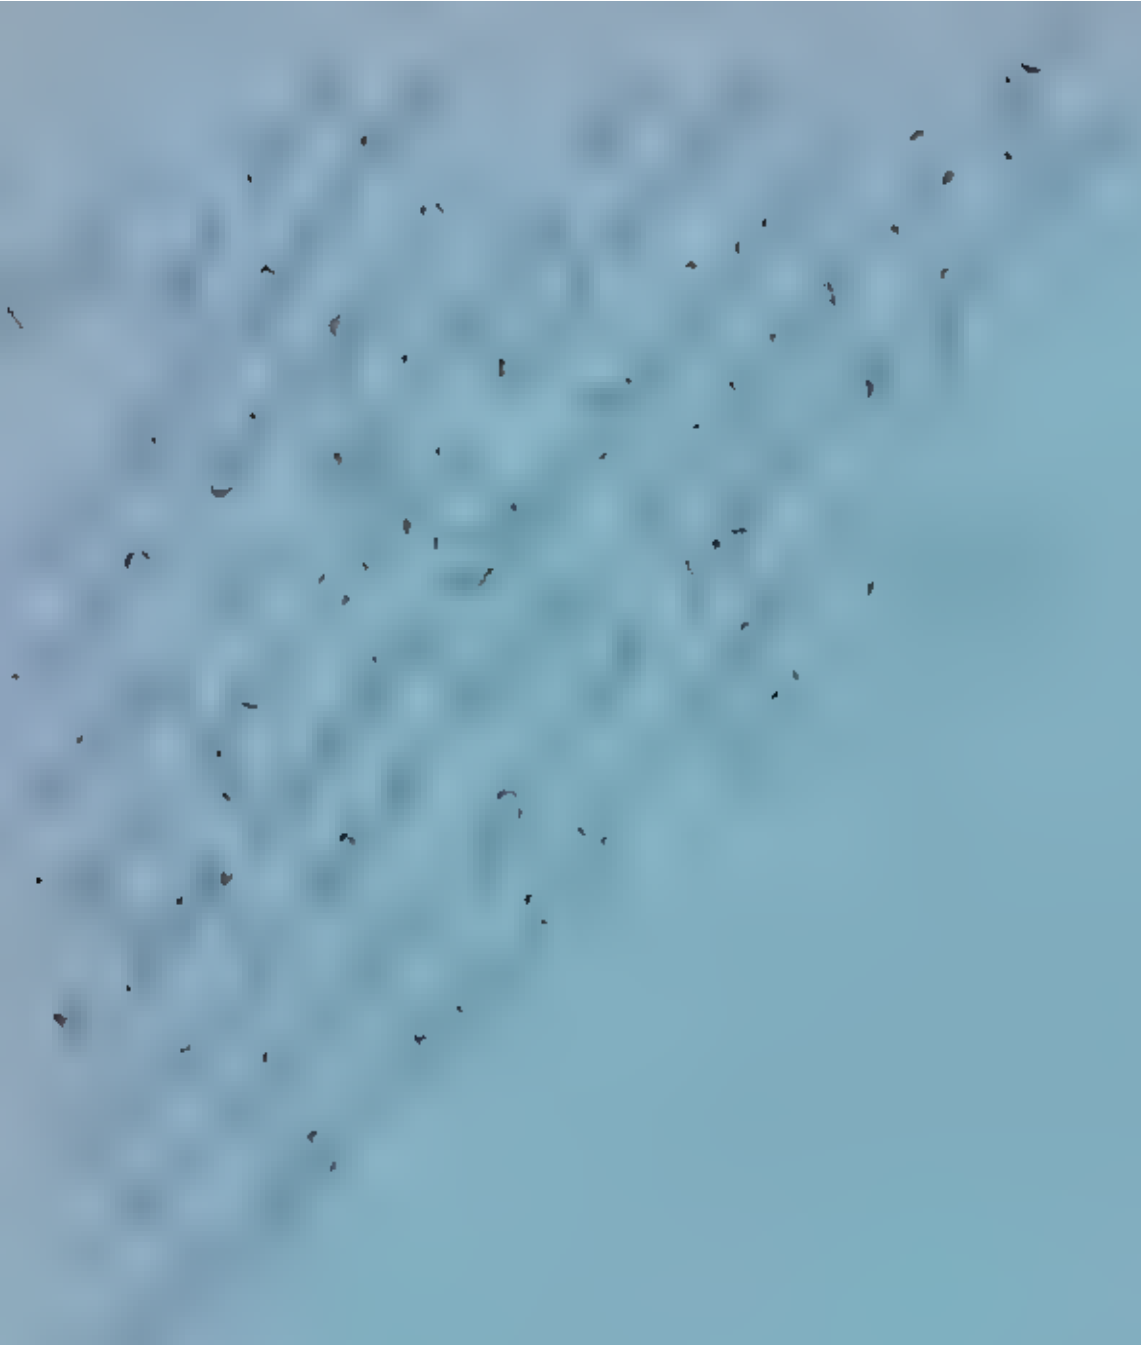

4. A tree is a connected graph with no cycles.

5. A spanning tree is a tree that contains all the vertices of a graph.

6. A graph is bipartite if its vertices can be divided into two sets such that every edge connects a vertex in one set to a vertex in the other set.

7. A graph is planar if it can be drawn in the plane without any edges crossing.

8. A graph is Hamiltonian if it contains a cycle that visits every vertex exactly once.

Good luck
in "Z" and
card playing

Mike Hay

Bryan,

I haven't known you
for too long of a time, but,
maybe next year you'll be
in one of my classes.
Good Luck in future year.

"Yes"
Patti Finkenbinder

Bryan
Don't really know
what to write except
Have fun this summer,
and in your senior year
Keep
it.

Dwyer

Hopes you learned
a lot of geometry!
If you did you're in
a minority, study hard!
Take Care "7"
